Dinner at Taberna La Montillana

Recommend

Dinner at Taberna La Montillana

City: Córdoba, Spain

Why it fits: A celebrated Andalusian tapas spot near the old center, perfect for a first-night introduction to Córdoba's food scene — order the salmorejo (the local thick gazpacho) and the rabo de toro (oxtail stew), two Córdoban staples done right here.

Pitfall: It fills up fast on weekends and spring evenings; walk-ins may wait.

Booking advice: Book a table via TheFork or call ahead for the evening of April 24.
